

We need your help to raise up to \$200,000 to keep us fully operational

I have been involved with **Cambridge Lifeskills** through sponsorship since 2008 and for the past 3 years have been helping with fundraising in the form of the our popular annual **Cambridge Lifeskills Ambrose Golf Tournament**.

Cambridge Lifeskills continues to play a huge and very important role in our community helping the lives of young people who might otherwise go unassisted with mental health issues they constantly face. It appears our target this year, to be fully operational in meeting the needs of our community, needs to be between \$150 and \$200k.

Statistics for 2020 are:

- We have 9 fully qualified professional counsellors.
- 164 young people were referred and helped.

It was, as you would assume, a difficult year with a portion of that in lockdown and then the number of referrals escalating with sadly, not all being able to be seen.

While the cost of each session to **Cambridge Lifeskills** is approximately \$55.00, **it is free of the charge** to the child and his/her family. There is no limit to how many sessions each person is given. It depends on the severity of the case and how many times that young person is needed to be seen to be helped. We have some wonderful success stories and the Police in Cambridge credit CAMBRIDGE LIFESKILLS to the low crime rate of local youth in our community. Given there is no government funding, it is due to the care and generosity of businesses and individuals that we can make a difference to many lives of young people in our community.

The Fundraising Golf Tournament this year is scheduled for Friday 19 November 2021.

CAMBRIDGE GOLF CLUB have again been extremely generous in allowing us to use the Golf Course at no cost to us for this event.

We have the capacity for 30 teams of 4 players per team to enter and the numbers fill fast. The fee per team is \$100. (\$25 per player). We always aim to have good prizes for the golfers and there are several ways in which you or your company can help us raise money for this very worthwhile cause.

- SPONSOR A HOLF - there's 18 holes available @ \$250 per hole
- AUCTION ITEMS: We'd like 6-10 quality items to auction at the end of the event
- RAFFLE PRIZES: Last year we ran a multi prize draw raffle selling tickets up to 3 weeks prior with the last tickets being sold and drawn on the night, under Police supervision. Limited to 1500 tickets and \$10 per ticket so the odds are good!!
